He was a small bit man with a white face on him, and he'd long, thin hair and a nose that wasn't straight but peeked away to one side of his face and no moustache and wee feet and hands; and he liked to wear leggings and breeks and carry a bit stick and look as proud as a cock on a midden. Bigots, blowhards and idiots all run rampant in the town, somehow life goes on with them though - they are the spice of the The First Book of A Scots Quair so to speak. And at that, crouching and listening, the daftie took his hands from Maggie Jean Sunset Song began to sing the song himself; and he took her in his arms again, but gentle, folding her as though she were a cat, and he set her on her feet and tugged straight the bit frock she wore; and stood up beside her and took her hand and guided her back to the path through the larch wood.
