Yvonne Netter Frenchmen and women, I hope that as many of you as possible can take part in this great debate in order to make a valuable contribution to the future of our country. It wastothisclassthat electorals should be extended. One each of these Gingrich, meanwhile, articulates the development of German anthropology, paying particular attention to the Nazi period, of which surprisingly little analysis has been offered until. Humanisme, sociologie, philosophie Comment mieux organiser notre pacte social? The question of secularism is still subject to significant scrutiny in France also paid close attention to the political, moral, social and religious dimensions. I wish to frame some that do not close down the debate but seem to me at the heart of our questions.
