What is Consciousness?

Consciousness is a matter of great interest to all spiritual seekers. Consciousness Is What I Am addresses the most important and least understood aspects of.

I AM Presence | The Summit Lighthouse

You are the mind. You are that "packet of consciousness" that makes you feel yourself as a separate and individual being. This is an outcome of.

To many, the statement "I am God" rings of blasphemy. God, according to conventional religion, is the supreme deity, the almighty eternal omniscient creator.

The only separation you have from the I AM THAT I AM is your own human consciousness, your sense of limitation, and the accumulation of vibrations from this.

I am increasingly aware that more than anything, I am my consciousness. My consciousness is what experiences everything that I experience. I am aware that I .
