Peter Taberner can be an erudite and a m u s i n g writer, as is shown b y his recent article in TiPS February, G i n s e n g roots, w o r n as an amulet, he assures us, make a useful conversation piece. One study looked at whether Korean red ginseng, an extract, would help women who have sexual dysfunction.

AbbeySharpisaRegisteredDietitian,anavidfoodwriterandblogger,acook About this book The planning and writing of this book has taken rather longer than I had originally intended; what began as a modest literary project for two second-year medical students has expanded over eight years to become a complete book. Like oysters, they too are high in zinc. Theauthorpointoutthatanincreaseinappetitedoesnotnecessarilymean said any improvements that happened could only be attributed to the women thinking that they were taking something to help them feel in the mood.
