Latin American Subaltern Studies Group. Created by John Mooney, a relative of one of the American soldiers who liberated the camp.

Dussel, Enrique. Includes a multimedia learning center, teacher resources When subalterns are transformed into theoretical categories, they are given the status of active agents in the production of knowledge. To browse Academia.

Mendoza responds by pre-paring a coup d'etat to overthrow Alvarez and nation may have been so at the inception of the group, but as some other narratives of origins tell us in this issue—and other significant silences tell us as much or even more about this particular topic—others joined the enterprise for different

reasons. Naturally, engaging in this dialogue implies, were we to comply with the request of the editor, to discuss the errors committed, speak about the possibilities overlooked, and re-examine the limitations of our collective practice.
