Biography Memoir. Sell now - Have one to sell? John Muir. As America expanded relentlessly westward, Muir witnessed the plunder and... Some of his conservationist friends believed the conflict so sapped his physical, emotional, and spiritual strength that it contributed to his death. A portrait of the Sierra Club founder traces Muir's immigration to America from Scotland, his work as a naturalist and conservationist, and his untiring work against political and financial groups to preserve the natural world. As a book this is very well researched and gives you a great detailed read on the terms - opens in a new window or tab.
