Benjamin studied English with Creative Writing BA before pursuing a career that combined his love of sport and fascination with betting. It's clear that he's quite sharp--he tells the story of, when he worked for Schwab, having the idea to compare the retail customer trades with those of institutional investors, and using this as the basis for a research note. Forabettershoppingexperience,pleaseupgrade. Here is the story of how Joe Peta turned fantasy baseball into a dream come true. I wish he had spent a bit more time on baseball instead of finance, but I certainly understand why he chose to write the book the way he did. He created a mathematical model and used it for the baseball season. I skippedthroughhischapterontheformulationofthestrategyasitgotabit Trading BasesPeta takes us on his journey from the ballpark in San Francisco to the trading floors and baseball bars of New York and the sportsbooks of Las Vegas, telling the story of how he created a baseball hedge fund with an astounding 41 percent return in his first year. A unique blend of Finance, Baseball and Statistics.
