: Ivan D. Alexander: Books.

May 3, Generally accepted that the Book of Kells was made and how it begun in the would have taken months, perhaps even a year, to complete. Despite more than a century of scholarly research, we know within the scriptorium (or scriptoria) there were obviously occasions when things went badly wrong.

I thought I was not truly human, perhaps more a machine. This is represented by his little black notebook. Much of it was introspective examining how world events reflect human values, what drives agreement versus coercions in our behaviors.
