Luckily I have a lovable goofball boyfriend right now that makes me feel so much better about my "shyness". If you nag or complain a lot, then he'll begin to imagine this is what it will be like when the two of you are married and run away quickly. You don't have to say a word and he'll be hooked. FunnyThingstoSaytoaGirl. If you push her too far, she may end up withdrawing from you and feel like she's not good enough or can't talk to people anymore. Just that sometimes the default assumption is that women are naturally more comfortable in social situations, and so if they seem distant or untalkative it's because they're choosing to be that way. When shy men complain about how their female counterparts have it easy, they're up on the latest sports developments.
